

ALL DORIAN MINOR SCALES WITH FINGERINGS FOR THE RIGHT HAND

The Dorian Minor scale can also be thought of as the 2nd scale degree of the major scale (or Dorian mode.)

The student should hold down the root note in the left hand while practicing the scale in the right hand. It is important that the student play two octaves and not stop at one.

The five fingers are indicated using the following numbers:

1=THUMB 2=POINTER 3=MIDDLE 4=RING 5=PINKY

While the fingerings written are only suggestions, it is recommended that the beginning piano student use the suggested fingerings before finding their own versions.

NOTE: Some notes may theoretically incorrect to make it easier for the student to read.

Ben Portner
